USC MARSHALL PARTNERS

An Investment with Dividends

How can you make an investment in education that earns incredible dividends for you as a professional? Join USC Marshall Partners, a giving society that raises funds for the USC Marshall School of Business and Leventhal School of Accounting. Marshall Partners is open to alumni, parents and friends.

Greatness Shared

When you join Marshall Partners, your membership gift can be dedicated to the Dean's Strategic Fund, which enables our deans to invest in students, faculty and the future of the school. Your philanthropic support ensures that Marshall and Leventhal remain in the top tier of business schools worldwide, leading the way in educational opportunities and leading research.

Make An Impact, Change Lives

Your philanthropic gift supports:

Scholarships – Make sure the best and brightest undergraduate, graduate and veteran students can afford a world-class education. Scholarships reward and recognize academic excellence.

World-class Faculty – Help Marshall and Leventhal attract world-renowned professors from the best business schools. Our students and our academic reputation benefit as a result.

Student Programs – Enable funding for life-changing global learning experiences, case competitions, mentoring, tutoring and crucial internships, as well as other enriching leadership development opportunities for Marshall and Leventhal students.

Global Education – Nearly 900 students participate in overseas educational journeys every year, and consistently report that these trips are transformational. No student should miss this opportunity because of cost.

“The Dean’s Strategic Fund gives me the ability to say yes to providing our students with not only the finest business education, but also the chance to immerse themselves in the experiences that transcend the tradition.”

James G. Ellis

Dean, USC Marshall School of Business and Robert R. Dockson Dean’s Chair in Business Administration
