Why Choose the RIMS-CRMP?

RIMS-CRMP Certification

• RIMS-CRMP is a professional certification.
• Only accredited Risk Management Certification in the World.
• Holds official accreditation from ANSI under ISO/IEC 17024:2012.
• Builds upon the technical knowledge obtained with a CPCU and ARM.
• Certification that validates specialized knowledge, attainment of a practice standard, enhances professional credibility and commitment.
• Increases employee value as an expert in the profession.
• Affordable professional and student fees.
• Continuing education of 50 points is required every 2 years.
• Must adhere to a Code of Ethics.
• Competency based exam of 120 questions delivered by Pearson VUE.
• Open to RIMS members and non-members.
