

RE: Spring 2021 Wellness Days for Graduate Programs  
Date: November 10, 2020

---

Dear USC Marshall Community,

To align with the university schedule, as outlined in Provost Zukoski's November 9, 2020 memo regarding "[Spring 2021—Wellness Days and Grading Options](#)," the Marshall Graduate Programs will adopt five Wellness Days. The Graduate Program schedule differs from the Undergraduate on the Tuesday Wellness Day; for Graduate Programs this will be February 16<sup>th</sup> (instead of March 23<sup>rd</sup> for the Undergraduates). Please see the Marshall Graduate Program Wellness Days schedule below:

- Tuesday, February 16
- Friday, March 12
- Wednesday, April 7
- Thursday, April 22
- Friday, April 30

There will be no classes scheduled, no classwork is expected of students, and no graduate community programming on these Wellness Days. The only exception may be Graduate Career Services recruiting events, due to company recruiter schedules.

We hope these Wellness days will allow you to rest and recharge throughout the semester.

Stay healthy and resilient,  
Suh-Pyng Ku  
Vice Dean for Graduate Programs
