MSBA Progressive Degree Program

Progressive MSBA students complete 30-33 units (depending on undergraduate coursework and to be determined by advisor after the application is reviewed by the Admissions Committee). The program must be completed over at least 3 semesters, with students enrolling in at least 6 graduate units during each of the first two semesters (Fall and Spring).

Program Eligibility

Applicants to the MSBA progressive degree program must meet the following qualifications:
- Have completed at least 64 total units of undergraduate courses excluding AP/IB units earned prior to high school graduation
- Must have at least one full semester remaining before completion of their undergraduate degree (Students graduating in May must apply by the January 15th deadline.)
- Plan to begin the MSBA Progressive Degree Program in Fall 2021
- Be able to enroll in a minimum of 6 units of MSBA coursework in the Fall 2021 and Spring 2022 semesters
- Be ready to complete 30-33 units over at least three semesters
- Have completed an undergraduate statistics course
- Have a minimum of a 3.0 cumulative GPA
- Students may apply in their junior (recommended for best value) or senior year

Application Process

If you meet the qualifications listed above, you may apply to the MSBA progressive degree program for Fall 2021 via the link below. A completed application includes:
- Copy of most recent course plan from undergraduate advisor
- Copy of STARS report
- Resume

Student notification will take place approximately 6 weeks after the deadline for which you applied. If our admissions committee recommends you move forward with the process, you will meet with an MSBA advisor regarding the next steps in the admission process.
