## **TEACHING EXPERIENCE**

---

Team Dynamics for MBAs

Organizational Behavior and Leadership for MBAs

Negotiations and Bargaining for MBAs, Masters of Accounting Students, and Execs.

Leading Organizations for Undergraduates

Ethics in Executive Education Classes

Group Dynamics in Executive Education Classes

Decision-Making in Executive Education Classes

Managing Groups and Teams at Stanford Graduate School of Business

## **CORPORATE EXPERIENCE**

---

Airline Planning Group, LLC.

2000-2002, 2004

*Senior Associate*

- Assessed the value of strategic alliance options for a large international airline alliance.
- Created air service development campaigns for numerous major airports.

- Redesigned major elements of US Airways' route network in preparation for bankruptcy.
- Contributed to the design and development of APGNet, a network planning model that forecasts traffic, revenue and profitability for airline networks.

1999-2000      New World Air Holdings Inc.      1999-2000  
*Director, Marketing Department*

- Created the marketing plan for the launch of an airline.
- Cultivated strategic partnerships with intermediaries including travel agencies serving professional service firms as well as community consortiums.

US Airways Inc.      1997-1999  
*Project Manager, Strategic Planning Department*

- Evaluated financial and operational impact of new growth strategies.
- Formulated MetroJet expansion package, recommending strategic growth opportunities for US Airways' low cost division.

*Senior Analyst, Marketing Planning Department*

- Wrote marketing plan for the launch of MetroJet. Coordinated the implementation of the plan and recommended modifications in response to competitive reaction.
- Analyzed US Airways' performance in key markets to aid marketing allocations.

Piper Jaffray Inc.      1996-1997  
*Corporate Finance Analyst, Corporate Finance Department*

- Performed quantitative analysis of corporate finance transactions, including: mergers and acquisitions; leveraged buyouts; public offerings; private placements; and venture capital investments.
- Conducted due diligence research in order to create prospectuses used to market newly issued public securities to potential investors. Played key role in drafting prospectuses, selling memoranda, and presentation documents.
